THE OTHER END OF THE LEASH by Patricia McConnell

When humans communicate with dogs, a lot can get lost in the translation. Focusing on human behavior, Dr. McConnell teaches readers how to retrain themselves to speak consistently in a language dogs understand and avoid sending conflicting and confusing messages.

CULTURE CLASH by Jean Donaldson

The book that has shaped modern thinking about canine behavior and the relationship between dogs and humans has been revised. Dogs are NOT humans. Dogs ARE clever and complex creatures that humans need to take the time to understand in order live together successfully. You must read this book because your dog cannot!
